WELCOME AND SPECIAL ACKNOWLEDGMENTS

WELCOME TO VANCOUVER!

On behalf of Simon Fraser University and the local arrangements committee, we would like to acknowledge the Musqueam, Squamish and Tsleil-Waututh peoples on whose traditional territories we are privileged to live, work, and play.

We hope this year's conference offers an opportunity for you to develop new insights and understandings. As you meet new colleagues and catch up with old ones, be sure to take some time to enjoy all that Vancity has to offer. Consistently ranked as one of the top three most livable cities in the world with its unique blend of urban living and outdoor activities, Vancouver has something for everyone.

Although the First Nations people have called Vancouver their home for thousands of years, 1791 marked the first point of European contact with the arrival of the Spanish. The Spanish did not stay long in Vancouver, and the British eventually settled in the area for the fur-trade. Settlement really took off with the discovery of gold in 1858 and lumber mills sustained the small economy. Today, metro Vancouver boasts a population of nearly 2.5 million people, and we are among the most ethnically and linguistically diverse cities in the world. Indeed, more than 45 percent of our residents are foreign born, ranking us behind only Dubai, Brussels, and Toronto, while 52 percent of us speak a first language other than English.

As the city that gave birth to the *Greenpeace* movement, Vancouver now aspires to become the greenest city in the world. As you will see during your visit, it is well on its way! It has ample green spaces and community gardens, a dense network of bike lanes to get around the city, and you are sure to find a car2go around every corner. "Vancouverism" represents the city's vision to combine deep respect for nature while promoting a dynamic urban lifestyle. We have over 240 parks and beaches operated by the Vancouver Park Board. Stanley Park, located in the West Side, is known worldwide for its 400-hectare rainforest and seawall. The park is just a 30-minute walk from the conference hotel along the seawall, and encapsulates Vancouver's vision of urban living and respect for nature. In addition, the city has a growing arts and culture scene. Be sure to take a walk through Stanley Park, bike the Seawall, or watch a local play.

Vancouver is also a global city. To promote international relationships, Vancouver has partnered with five sister cities: Odessa, Yokohama, Edinburgh, Guangzhou, and Los Angeles. These partnerships focus on sharing information, educational exchange, and economic development. Currently, Vancouver is focusing on strengthening local businesses, as well as investing in high-growth sectors, such as digital media, clean technology, and renewable energy. We hope you enjoy the conference, as well as your time in Vancity.

WELCOME AND SPECIAL ACKNOWLEDGMENTS

SPECIAL ACKNOWLEDGMENTS

Welcome to Vancouver! Although most of us attending this year's meeting of the Western Political Science Association are from outside Canada, the friendly atmosphere of our conference transcends place. It's a space that embraces a diversity of questions, methodologies, and scholars. For this and many other reasons, the Western is my favorite conference.

This year's conference marks the 70th anniversary of the WPSA and in recognition of this occasion I chose "The Politics of Identity, Intergroup Bias, and Conflict and Cooperation" as the theme. Although WPSA members study a wide range of topics, these ideas are of central importance to many WPSA scholars, the Association's journals *Political Research Quarterly* and *Politics, Groups, and Identities*, and many of its subcommittees.

As in previous years, this year's meeting features pre-conference workshops on feminist theory, Latino/Latina politics, interpretive methods and methodologies, and environmental political theory. We're also hosting mini-conferences or conferences within a conference on Asian Pacific American Politics and Political Economy of Development.

This year's meeting also features several special events of interest. On Friday, April 15th at 10 am past presidents of the WPSA will participate in a roundtable titled "Now What? The Impact of the Trump Presidency on Higher Education and Political Science" and immediately following at noon will be the Pi Sigma Alpha talk given by Kennedy Stewart. Stewart is a member of the Canadian Parliament and the Opposition Science Critic for the New Democratic Party and will offer his insights on parliamentary reform, the proper role of science in government, and insights on Canadian-US relations in the Trump era. At 3:15 pm on Thursday, the American Political Science Association will host a timely roundtable on engaging the public about race and ethnicity.

The conference only happens because of the generous investment of time and energy by many people. I am very grateful for all the work you do, especially given all the many other demands on your time. Thank you! Twenty-eight section chairs evaluated proposals and assembled hundreds of panels and roundtables. In addition, Association members generously staffed our executive council, status committees, prize committees, nominations committee, and additional ad hoc committees.

Ensuring things run smoothly, coordinating with local institutions, and providing great suggestions for enjoying Vancouver, I thank our local arrangements chairs Janni Aragon, University of Victoria and Steven Weldon, Simon Fraser University. Several students from Simon Fraser University are also providing us with assistance at the conference venue. Institutional support also provides us with critical resources to make our conference great, and I owe a debt of

WELCOME AND SPECIAL ACKNOWLEDGMENTS

gratitude to Simon Fraser University and their Department of Political Science for their generous financial support to WPSA.

Julie Novkov has been an exemplary role model, first as last year's program chair and now as WPSA President. I've also greatly appreciated help from past WPSA presidents and program chairs Shaun Bowler and Gary Segura. Further, I thank WPSA's executive director Richard Clucas and associate director Elsa Favila. They have provided invaluable, patient guidance and I am deeply grateful for all they have done. The great success of WPSA is due, in no small part, to their hard work and dedication.

I hope that everyone has a great conference! Enjoy Vancouver and start planning now to attend next year's WPSA in San Francisco.

WPSA AWARDS TO BE ANNOUNCED AT THE 2017 ANNUAL MEETING

The 2017 awards will be presented at the WPSA Business Meeting on Friday, April 14, at 5:15 p.m. in room Georgia A (third floor) of the Vancouver Hyatt Regency.

Celebrating our 70th Anniversary!

For nearly a quarter century, Betty Moulds served the Western Political Science Association with the highest distinction, a dedication to mentorship, and a commitment to building the WPSA into an exemplary home for political science scholars. The Betty Moulds Lifetime Service Award was established to recognize individuals who, like Betty, have a long history of service and extraordinary contribution of time, energy, and talent to the Association.

Our inaugural recipient of the **Betty Moulds Lifetime Service Award** also has served the Association with the highest distinction for well over two decades. He has taken on virtually every role one could in service to the organization: President, Program Chair, Local Arrangements Chair, Section Chair, Executive Council member, and Chair or Member on numerous Association committees over his 20+ years of WPSA activity, not to mention being an active participant at our Annual Meetings through the years.

For the inaugural recipient of the Betty Moulds Lifetime Service Award, the selection committee wanted to honor a person not only for his or her service, but who could also serve as an exemplar who all could aspire to follow. For these reasons, we are proud to recognize:

RONALD SCHMIDT

currently at Davidson College, and a long-standing faculty member at California State University, Long Beach, as the 2017 Western Political Science Association Betty Moulds Lifetime Service Award recipient.

Theme: Contested Truth

Political scientists are faced with the task of teaching, learning, analyzing, and writing about politics in a new era of contested truth. While politics has always been conducted in the midst of arguments over facts, recent developments in information technology and political leadership in the United States and across the globe highlight the contemporary relevance of contested truth in advanced democracies as well as dictatorships and other authoritarian regimes.

From the invention of “alternative facts” to the invocation of unsubstantiated claims among other contested truths, I invite you to participate by presenting a scholarly paper or a work of pedagogical method. What are the analytical and conceptual contours of facts and truth in politics? How and why do political leaders, analysts, and commentators utilize alternative truths and to what ends? Why and how do students and citizens analyze the contestation of fact, and what strategies can they utilize to contribute to political truth?

Please note: All participants in the program are required to preregister for the 2018 WPSA meeting by December 31, 2017.

You've arrived in Vancouver in the height of cherry blossom season and just before Punjabi New Year. What's next? The WPSA Annual Meeting local hosts have prepared this document to guide you through your time in this exciting city, including childcare options, activities, and dining. We see all sorts of weather in Vancouver, pack good shoes and an umbrella.

Vancouver Quick Facts

Vancouver is a big, busy, diverse, and global city. About 52 percent of Vancouver's residents have a first language other than English! The original settlements in this area were Coast Salish. Vancouver's quite warm compared to the rest of Canada—on average it'll be 10 degrees Celsius (50°F) in April—but often rainy. Vancouver is full of green spaces; the Hyatt Regency is within a 15-minute drive of over 20 parks including famous Stanley Park.

Vancouver is divided into several geographic areas. Downtown, the neighborhood of the Hyatt Regency, is situated on the small Burrard Peninsula north of the larger mass of Vancouver City. North of downtown across the strait is North Vancouver, and west of North Vancouver is West Vancouver. South of downtown is the West Side. And west of downtown is West End. West Vancouver is north of West End, which is north of the West Side, west of East Vancouver. Got it? Don't worry, there's a map on the next page.

Neighbourhoods

Your trusty visitor's guide will make many references to Vancouver neighbourhoods to organize your possible activities. But where *are* those neighbourhoods? You'll find that it's also cooler closer to the water, so layer up.

Getting Around

Vancouver has the worst traffic in Canada, but there are plenty of other ways to get around. For starters, the city is incredibly walkable. Most of downtown is available to you on foot if you're able to walk 20 – 30 minutes. For instance, the following destinations are all within a 15 minute walk:

- Vancouver Art Gallery (7 minutes)
- Robson Street shopping (7 minutes)
- FlyOver Canada and Canada Place (12 minutes)

If you'd prefer not to walk or want to leave the downtown core, Tourism Vancouver has a great transit guide. In addition to buses, Vancouver has the SkyTrain, a driverless automatic rail. There's a transit station (Burrard Station) right outside the hotel. Just by waiting for the right bus or SkyTrain line at this station and getting off at the right spot, you'll be able to travel worry-free to places like:

- Science World (on the SkyTrain Expo line)
- BC Sports Hall of Fame (also on the Expo)
- Museum of Vancouver (on the #2 bus)

All these locations and more are listed in the detailed Activities section below.

ACTIVITIES

Vancouver will have plenty going on in April, including the Vancouver Cherry Blossom Festival, which will be running up until April 17. Whether you're travelling with young children, teens, friends, or on your own, Vancouver has something to offer you. We've included performances running in Vancouver at this time as well as year-round attractions. If you don't see what you're looking for, Tourism Vancouver has a large directory of possibilities.

Entries with asterisks are especially kid-friendly, and entries in italics are open after 6PM.

Vancouver Art Gallery

750 Hornby St. | 604-662-4700 | <http://www.vanartgallery.bc.ca/>

In April, you'll have the opportunity to see exhibitions by Susan Point, a Musqueam artist who creates psychedelic yet grounded innovations on Coast Salish motifs and styles; Sonny Assu's digitally remixed, Indigenous-interrupted Emily Carr pop art; or an exhibition of Howie Tsui's dreamlike wuxia-themed video installation. Closes at 5PM. Tickets are \$24 for adults, \$18 for seniors and \$6.50 for children.

FlyOver Canada*

Canada Place | 604-620-8455 | <https://www.flyovercanada.com/>

This thrill ride experience is exciting for kids and adults—it simulates soaring above gorgeous Canadian landscapes. The week this ride was installed in Canada Place, a Vancouverite friend told us she had seen it three times. Closes at 9PM. Buy tickets online to get them for \$21 for adults. \$17 for seniors or teens, and \$14 for small children. (The actual ride lasts about 8 minutes.)

Science World*

1455 Quebec St. | 604-443-7440 | <https://www.scienceworld.ca/>

You can't miss the famous geodesic dome of Science World glittering on the bank of False Creek. Catch a film in the OMNIMAX theatre or visit one of the engineering play labs, biomedical galleries, or illusion and puzzle exhibitions. Tickets are \$23 for adults, \$18 for seniors and teens, and \$15 for children.

Museum of Vancouver

1100 Chestnut St. | 604-736-4431 | www.museumofvancouver.ca/

Exhibitions at the MoV in April will include "čəsnaʔəm, the city before the city", on the Musqueam ancestral village predating Vancouver; housing and urban planning exhibition "The Vienna Model"; and exhibitions on Vancouver in every decade from the 1900s to the riproaring 1970s. Open to 9PM on Friday and Saturday. Tickets are \$18 for adults, \$15 for seniors, \$8 for youth.

BC Sports Hall of Fame*

BC Place | 604-687-5530 | <http://www.bcsportshalloffame.com>

Sports fans will be inspired by this celebration of BC's most accomplished athletes in sports from rodeo to hydroplane racing, as well as exhibitions on Indigenous sport and women in sport. Tickets are \$15 for adults, \$12 for seniors and children above 5, and free for children 5 and under.

UBC / Museum of Anthropology / Nitobe Garden

2329 West Mall | 604-822-2211 | www.ubc.ca

You'll have to go a bit further afield to visit beautiful UBC, but in addition to the normal sport of walking around an unfamiliar campus and people-watching, you can visit the world-class Museum of Anthropology until 5PM or the Nitobe Garden on weekdays. MoA tickets are \$18 for adults, \$16 for seniors and older children, free for children 6 and under.

Dr. Sun Yat-Sen Classical Chinese Garden

578 Carrall St. | 604-662-3207 | vancouverchinesegarden.com/

Take an hour for contemplation in this peaceful city garden if you have some time off in the afternoon. Your admission includes a guided tour—the latest time is 3PM. The gift shop is a fantastic place to buy Vancouver souvenirs like jade earrings, chopsticks, and signature tea blends. The garden closes at 4:30PM. Tickets are \$12 for adults, \$10 for seniors, free for children 5 and under.

VanDusen Botanical Garden and Bloedel Conservatory*

5251 Oak St. and 4600 Cambie St. | 604-257-8584 | <http://vandusengarden.org/>

These two strongholds of nature are only 20 minutes apart on foot, so their owners encourage visitors to visit both. EVENTS

Vancouver's theatre, dance and concert scene is impressive. Catching a play in a local theatre is a great way to complete your Vancouver experience, and they'll be open later than most daytime activities so you don't have to worry about rushing through that last conference session. A city as big as Vancouver has dozens of great events running at any given time, but here are some of the shows and celebrations running during April 13 – 15. Ticket prices and venues were correct as of February 1, but remember to double check—and if you're interested in the bigger shows, check soon to be sure you don't miss out on tickets.

Rodgers + Hammerstein's Cinderella | The touring Broadway adaptation of the Cinderella TV program that most recently starred Brandy Norwood in 1997. Suitable for all ages. At the Queen Elizabeth Theatre, 630 Hamilton St. Tickets between \$30 and \$110.

Redpatch | A locally authored play about a Nuu-chal-nulth youth who fights in the First World War. Ages 10+, possibly suitable for older children. At Studio 16, 1555 West 7th Ave. Tickets \$33, \$25 for seniors.

Generation Post Script | This science-fiction show might interest older teens with its contemplations, reminiscent of *The 100*, on the lives and anxieties of the

first generation of youth to be born in space after the destruction of the Earth. At Studio 1398, 1398 Cartwright St. Tickets \$28.

Vancouver Theatre Sports League | The games change from season to season, so it's hard to say at this point what kind of improv comedy you'll be able to watch here in April, but previous shows have rave reviews. At The Improv Centre, 1502 Duranleau St.—could be a great cap to an afternoon on Granville Island. Tickets \$8 - \$15 dollars depending on the day.

DINING

Vancouver is a foodie city packed full of dining adventures and comfortable favorites, and the Hyatt Regency is located in the middle of downtown, where attendees will have tons of choices just within walking distance. We've made some recommendations for great meals—not just downtown and in surrounding neighbourhoods, but further afield across the bridge in Kitsilano and Fairview if you're in the mood to explore. Google Maps or BC Transit's map tool www.translink.bc.ca can guide you around, and we've provided some of its recommended transit options below, but if it gets overwhelming, don't worry, because in downtown Vancouver there's an amazing restaurant every couple metres—just pick a direction and walk!

These selections are based on the suggestions of previous Western restaurant guide sages Lesley Burns and Rebecca Monnerat and Janni Aragon's dining experiences in Vancouver, as well as syntheses of reviews from tripadvisor.com and *Vancouver* magazine. We also tapped the expertise of Vancouverite colleagues to bring you a wide-ranging local perspective.

If you have kids with you, the selections with asterisks next to them will be especially friendly to them.
