WELCOME

WELCOME TO PORTLAND!

Welcome to the WPSA's 2022 Annual Meeting. On behalf of Portland State University, we are delighted to welcome you to Portland, the City of Roses. Here you will find miles of bike trails, countless local breweries, amazing food trucks, and expansive green space. While in town, you might take time to rent a bike or scooter and check out Waterfront Park, a 1.5 mile stretch of green along the Willamette River, located just half a mile east of the Hilton hotel. Those looking for fun and adventure need not look far. Our city is easy to navigate by public transit and there's so much to do! After your panel, for instance, you could catch a Timbers or a Blazers game, hike in Forest Park, browse at Powell's Books, explore our many art galleries and museums, or enjoy the simple pleasure of a perfect donut from Voodoo.

However you decide to take in the city, we hope its amenities will enrich your experience at the conference. Enjoy!

Special Acknowledgements from the Program Chair of the 2022 Meeting

Welcome to Portland and the 2022 WPSA Conference where we also celebrate the 75th anniversary of the association. This year's conference theme "*Lighting Up the New Dawn— Recover, Reconcile, and Rebuild @ 75*" was drawn about ten months ago in the hope that we will be able to celebrate in-person a special reunion with fellow members after 2019. With the continuous and significant decline of COVID-19 cases and continuous improvement in vaccination rates, our dream to celebrate together in the headquarter city of WPSA a new page of the association history in the post-pandemic era is getting closer than ever. We are offering 270 panels in the meeting program, with about one-fourth being accessible virtually and mostly through the hybrid format. The total number of panels is close to what we normally would offer in the pre-2020 conference. However, given the constantly changing COVID situations as well as the very limited resources possessed by the Association, this "back to normal" state cannot be achieved without the nonstop efforts and creative programming by the Associate Director Elsa Favila. To her, we would like to offer the highest salute!

Equally deserving an ovation—if one were possible, are section program chairs. It was an incredibly tall order to try to finalize conference programming with last-minute cancellations of individual papers or the entire panels, in addition to having chairs and discussants pulling out. These section program chairs, more than a few were veterans of past annual meeting(s), had been kept working with Elsa Favila to fill those voids and move things around. They were relentless in their dedication to the section program, wanting to make sure that every person attending would receive valuable feedback on their work and their experience at the meeting to be a rewarding one. Our meeting is not possible without these dedicated volunteers and hard-working leaders.

Together, they have put together a fabulous program with highlights that include a mini-conference to honor the passing of Charles Mills and another one addressing challenges and opportunities faced by Women of Color in Political Science. We also offer other new and continuing mini-conferences on Antiracist Pedagogy, Asian American Politics, Autocratic Politics, Community Colleges, and the Politics of the Mindful Revolution. Our deep gratitude to the magnificent teams of organizers for these mini-conferences.

This year's meeting program features celebrations of the 75th anniversary. Special events include a roundtable with ten past presidents commenting on how their presidency has helped "Undisciplining the Discipline Since 1947" (Friday, 3:15pm) and another panel "In the Room Where it Happened: Insiders' Stories of Impactful Decisions, Groups, and Journals of the WPSA" (Thursday, 3:15pm). We will also have the Dinner/Dance event (Friday, 6pm) that serves as a fundraiser for the inauguration of the WPSA Travel Grant for upcoming meetings. We are indebted to the marvelously energetic and innovative 75th Anniversary

SPECIAL ACKNOWLEDGMENTS

Committee chaired by Ron Schmidt, along with other past presidents Jane Junn, Valerie Martinez-Ebers, Louis DeSipio, Rodney Hero, Gary Segura, and Ange-Marie Hancock Alfaro.

We are grateful to Portland State University's Mark O. Hatfield School of Government, and its director Birol Yesilada, for donating \$5,000 to the meeting. We cannot say enough thank-you to the large number of individual members and their department and institutions for contributing to our fundraising efforts for the WPSA anniversary Dinner/Dance and Travel Grant. And we want to thank the local arrangement co-chairs Kim Williams and Jack Miller of Portland State University for helping with meeting planning and logistics.

Last but not least, I want to offer my personal thank you to the outgoing President Ricardo Ramiraz for his incisive leadership and unwavering support. I cannot find enough words to express my admiration and appreciation for Executive Director Richard Clucas for his tedious guidance and steadfast support throughout the entire process of meeting planning and implementation. Together with Elsa Favila, Lucy Phulps, Jason Phulps, and Chao Vang, the WPSA has been blessed with the most precious, reliable, and enviable supporting team that any association can imagine to have.

We are ready to lighting up the new dawn, are you ready to join us?

ANTI-HARASSMENT POLICY

1. Purpose

The Western Political Science Association was created for the purposes of promoting the study and teaching of government and politics, to foster research, and to facilitate the discussion of public affairs. The Association promotes these purposes in the spirit of free inquiry and free expression. The primary event in which WPSA members gather is at the Association's annual conference.

Harassment of colleagues, students, or other participants at the conference, or at any other WPSA-sponsored event or forum, undermines the principle of equity at the heart of the Association's principles and is inconsistent with the principles of free inquiry and free expression. Consequently, harassment is considered by the WPSA to be a serious form of professional misconduct.

The WPSA is committed to providing a safe and welcoming conference environment for all participants, regardless of race, gender, sexual orientation, gender identity, ability, ethnicity, socioeconomic status, age, or religion.

"Participant" in this policy refers to anyone present at or directly involved in WPSA meetings, including staff, contractors, vendors, exhibitors, venue staff, WPSA members, and all other attendees.

2. Expected Behavior

All participants at WPSA meetings are expected to abide by this Anti-Harassment Policy in all meeting venues including ancillary events and official and unofficial social gatherings.

- Abide by the norms of professional respect that are necessary to promote the conditions for free academic interchange;
- If you witness potential harm to a conference participant, be proactive in helping to mitigate or avoid that harm;
- Alert conference or security personnel if you see a situation in which someone might be in imminent physical danger.

3. Unacceptable Behavior

Unacceptable behaviors include:

- persistent and unwelcome solicitation of emotional or physical intimacy;
- persistent and unwelcome solicitation of emotional or physical intimacy accompanied by real or implied threat of professional harm;
- intimidating, harassing, abusive, derogatory, or demeaning speech or actions by any participant in an WPSA meeting and/or at any related event;
- prejudicial actions or comments related to race, gender, sexual orientation, religion, ability, ethnicity, socioeconomic status, age, or religion that coerce others, foment broad hostility, or otherwise undermine professional equity or the principles of free academic exchange;
- deliberate intimidation, stalking or following;
- harassing photography or recording;
- sustained disruption of talks or other events;
- physical assault (including unwelcome touch or groping);
- real or implied threat of physical harm.

2022 AWARDS RECIPIENTS

WPSA AWARDS TO BE ANNOUNCED AT THE 2022 ANNUAL MEETING

The 2022 awards will be presented at the Joint Reception on Thursday, March 10, 6:00 – 8:00 PM, Skyline II, 23rd Floor.

Celebrating our 75th Anniversary!

The Betty Moulds Lifetime Achievement Award was created in 2015-16 to honor the remarkable contributions of the longtime Executive Director of WPSA, Betty Moulds. This year the members of the Betty Moulds Lifetime Achievement Award Selection Committee are proud to announce that this year's awardee is

Gary Segura
WPSA President, 2012-13
Professor and Dean
Luskin School of Public Affairs
University of California, Los Angeles

The Betty Moulds Lifetime Service Award is given to individuals who have made a long history of service and an extraordinary contribution to the WPSA. In making its decision, the Awards Committee recognized Gary's extensive work on behalf of the Association, not only as program chair and president, but in a wide range of positions within the Association. Gary has served on the Executive Council, the PRQ editor search committee, the editorial boards of both our journals, the Committee on the Status of Chicanos (which he has chaired), and many other committees. More than anything else, though, he has provided much needed advice and support to the WPSA's leadership over the many years in which he has been involved with the Association.

We are grateful for Gary's generous service, not just in formal terms, but as a member of the WPSA community. Please join the Betty Moulds Lifetime Achievement Award Committee and the Association in congratulating this outstanding WPSA leader.

Theme: ***Unity in the Midst of Disunity:
The Role of Political Science in Democracy***

Returning to the city by the bay, San Francisco in the state of California, the 2023 conference location will once again provide the opportunity for WPSA to reconvene after the 75th Anniversary celebration held in Portland, Oregon in 2022. San Francisco is a familiar location for WPSA conferences, and will be an opportunity for political scientists from all over the world to meet in person after several years of meeting primarily through virtual connections. This annual meeting will be held in the aftermath of a trying time in our world, most especially the multiple challenges of economic insecurity, inequality, climate change, public health, democratic instability, and international conflict.

Given these and myriads of other challenges not only in the United States but across the world, the WPSA is excited about reconvening scholars from all types of institutions to come together and explore where we have been and examine political problems from multiple perspectives, including historical, analytical, quantitative, qualitative, interpretive, normative, and empirical points of view. What are some examples of how division has impacted our political discourse and what role can we political scientists play, as individuals and as members of an association to help find ways to foster unity and coalescence around shared principles? How can our research and teaching contribute to fostering unity in the

CALL FOR PAPERS – 2023 ANNUAL MEETING

midst of disunity? What does unity mean for WPSA and its members? Under what circumstances can we realistically achieve unity in the midst of disunity?

We invite proposals that discuss the many ways we can think of unity in the midst of disunity from the points of view of our very diverse range of sections to help realize a renewed understanding and appreciation of the democratic pluralism that undergirds our society. We encourage members to submit proposals that explore how feasible and achievable unity is in the midst of such polarized division and in what ways division and disunity have affected and will affect the endurance of the American experiment in constitutional self-governance.

Please note: All participants in the program are required to preregister for the 2023 WPSA meeting by December 31, 2022.

WPSA GUIDE TO PORTLAND

Exploring Portland

Portland is a city of neighborhoods and districts, each full of fun things to do and see, and unique places to eat and drink. The conference will be held in Downtown Portland, in the city's southwest quadrant. While there are more than enough restaurants, bars, green spaces, museums, concert halls, shopping options (sales tax free in Oregon!), and food carts downtown, the city has a great deal more to explore!

GETTING AROUND

Within downtown, Portland is a very walkable city. However, if you're looking to venture further afield, or are hoping to explore one of Portland's other fascinating districts or neighborhoods, Uber/Lyft or public transportation are your best bets for getting around.

LOCAL TRANSIT: Public Transportation:

TriMet operates Portland buses, MAX light rails, and streetcars. TriMet fares work across all service types, and there are several convenient options for purchasing a ticket.

OPTION #1 – Pay with your phone: Use a card in your mobile wallet (Apple Pay, Google Pay, or Samsung Pay) to pay your fare. Tap every time you board a bus/train (including when you transfer). Your mobile wallet should keep track of your rides, and you'll never pay more than the cost of a day pass (\$5) for a single day's rides

OPTION #2 – Hop Tickets: You can buy a 2½-hour ticket (\$2.50) or 1-day pass (\$5) from a ticket machine at a MAX station using cash, change or a credit/debit card. Tickets work for both TriMet buses and Trains, and expire 2½ hours after purchase (you can transfer between services with the 2 ½ hour gap for no extra charge). 1-day passes expire at 3 a.m.

OPTION #3 – Purchase a Hop Card: Buy (for \$3) and load/reload a Hop card from supermarkets, pharmacies, or convenience stores. Tap every time you board a bus/train (including when you transfer). The card keeps track of your rides, and you'll never pay more than the cost of a day pass (\$5) for a single day's rides.

THINGS TO DO

Portland is a foodie town, an adventure hub, a center for arts and culture, and so much more. It's impossible to provide a comprehensive, yet concise, list of things to do in Portland. We highly recommend exploring ***Travel Portland's***

“Neighborhoods” Page for a more in-depth guide to some of the best places to explore as a visitor to the city, divided up neighborhood by neighborhood. In the meantime, below you can find a selection of recommendations—either from magazines and websites that curate and rank lists of these sorts of things, or our own personal favorites—for family activities, events, and restaurants.

Family-Friendly Activity Guide

Portland has a wealth of family-oriented activities within easy reach of the Hilton Hotel by foot, car, or public transportation. Whether you're looking for something that's outdoors or indoors, you have a lot of options – **these destinations are all kid-friendly but by no means require kids for a good time.**

OUTDOORS

Portland is dotted with city parks of various sizes, but it's really our two biggest public parks that provide great hikes and a complete outdoor experience right in the heart of the urban center.

WASHINGTON PARK: Washington Park is the crown jewel of the Portland city park system. This 410-acre park has plenty of places to walk and lounge as well as numerous main attractions that are compelling destinations in themselves:

- Hoyt Arboretum
- Oregon Zoo
- World Forestry Center
- International Rose Test Garden
- Portland Japanese Garden

FOREST PARK: Forest Park is massive 5,200-acre park that covers much of the northwestern section of the city. With more than 80 miles of trails, this park is a great destination for hikers who want to experience Oregon's natural beauty without having to travel far outside the city.

Forest Park Website: <https://www.portland.gov/parks/forest-park>

Here's a printable map of the Forest Park trails and trailheads: <https://www.portland.gov/sites/default/files/2020-04/forest-park-trails-printable-map.pdf>

A guide to hiking in Forest Park: <https://traveloregon.com/things-to-do/outdoor-recreation/how-to-hike-in-forest-park/>

WATERFRONT PARK: This downtown riverfront park offers a 1.5 mile stretch of green along the Willamette River. Located just half a mile east of the Hilton hotel, this is a great option for stretching your legs for a scenic walk or jog between conference sessions. **Address:** 98 SW Naito Pkwy, Portland, OR

INDOOR DESTINATIONS IN OR NEAR DOWNTOWN

OMSI (Oregon Museum of Science and Industry)

Portland's massive and popular science museum—located across the bridge, just over a mile from the Hilton—is packed with hundreds of interactive exhibits and displays, a planetarium, and even a submarine tour. **Address:** 1945 SE Water Ave, Portland, OR

Powell's City of Books

Covering an entire city block, this Portland landmark is the world's largest new and used bookstore. Full of eclectic offerings and wonderful staff recommendations—and located downtown, just 0.5 miles away from the Hilton—Powell's is a must-visit for any self-respecting book nerd. **Address:** 1005 W Burnside St., Portland, OR

Portland Art Museum

The renowned Portland Art Museum is the oldest museum in the Pacific Northwest. Located in the heart of downtown's Cultural District—just 0.2 miles away from the Hilton—the museum's campus includes an outdoor sculpture court, permanent galleries, and special exhibitions. **Address:** 1219 SW Park Ave, Portland, OR

Oregon Historical Society

Located in downtown Portland's South Park Blocks—0.2 miles away from the Hilton—the Oregon Historical Society's museum features original and traveling exhibitions telling stories of the people, places, and events that have shaped Oregon and American history. **Address:** 1200 SW Park Ave, Portland OR

Lan Su Chinese Garden

Lan Su Chinese Garden resulted from a collaboration between the cities of Portland and Suzhou, our sister city in China's Jiangsu province that's famous for its beautiful Ming Dynasty gardens. Lan Su was built by Chinese artisans from Suzhou and is one the most authentic Chinese gardens outside of China. **Address:** 239 NW Everett St., Portland, OR

Art Exhibition: APEX: Sharita Towne & A Black Art Ecology of Portland

This art exhibition provides a glimpse into Towne's burgeoning project "A Black Art Ecology of Portland" (BAEP), an initiative she launched in 2019 to bring together community organizations in support of creating, reclaiming, and redefining spaces for Black art and audiences in Portland. BAEP remaps historical and contemporary Black creative life in Portland and beyond. Activities have included developing co-creative spaces for art, murals, public art activation, video, COVID relief, residencies, DIY publishing, a comedy show, memorials for Black life, and more. Addressing the transdisciplinary nature of her work, Towne states, "With BAEP I think of the city as *form*. And *Ecology* is used to counter the mid-century logic of blight—that Black people are a detriment to urban ecology. BAEP acknowledges the active, creative vitality of Black communities from the past, present, and into the future of Portland."
