Dear Prospective Sponsor:

The Western Political Science Association (WPSA) invites you to participate in the 2015 Annual Meeting in Las Vegas, Nevada from April 2 to 4, 2015. You will join political scientists and practitioners from all around the country and internationally to be a part of the many special events at the 2015 Annual Meeting.

The WPSA is non-profit organization devoted to promoting the study and teaching of government and politics, to foster research on politics and policy issues, and to facilitate the discussion of public affairs. It is one of the largest regional professional associations for political scientists working in research, academia, consulting, government, and private enterprise. The WPSA Annual Meeting draws more than 1,200 attendees for three days of research presentations, panels, roundtables, and special programs.

Your support of the WPSA Annual Meeting will reach members from all facets of the political science community. There are a variety of sponsorship packages available to help your organization highlight its products, services, and unique features. Packages may include ad space and flyer inserts in our conference program; sponsorship signage, including at our key events; and acknowledgement of your support on our web site along with links to your web page. Whether you hope to target academic faculty, graduate students, or any other group, we can create a sponsorship package to meet your needs.

To secure your sponsorship, please send a message to Richard Clucas and Elsa Favila at our respective email addresses below. WPSA will contact you to develop your sponsorship package. Please note that sponsorship will not be guaranteed until a signed contract and payment are received.

Please visit <http://wpsa.research.pdx.edu/meet/> for more information on the 2014 WPSA Annual Meeting in Seattle. Your support is vital to the success of our organization and for the health of non-partisan research and education in politics and government.

If you have questions, please do not hesitate to contact us.

Sincerely,

Richard Clucas  
Executive Director, Western Political Science Association
