## Welcome!

On behalf of Simon Fraser University, we would like to acknowledge that we are gathered for this conference on the traditional, ancestral, and unseeded territories of the Musqueam, Squamish and Tsleil-Waututh peoples. Welcome to Vancouver!

We hope this year's conference offers an opportunity for you to develop new insights and understandings. As you meet new colleagues and catchup with old ones, be sure to take some time to enjoy all that Vancity has to offer. Consistently ranked as one of the top three most livable cities in the world with its unique blend of urban living and outdoor activities, Vancouver has something for everyone.

Today, metro Vancouver boasts a population of nearly 3 million people, and we are among the most ethnically and linguistically diverse cities in the world. Indeed, more than 45 percent of our residents are foreign born, ranking us behind only Dubai, Brussels, and Toronto, while 52 percent of us speak a first language other than English.

If you have time to explore a part of this cultural heritage, consider walking to China Town where you can see the Dr. Sun Yat Sen garden (a beautiful walled traditional Chinese garden) and visit the city's newest museum – the Chinese Canadian Museum. Or, enjoy the breathtaking work of First Nations artist Bill Reid at the Bill Reid Gallery on Hornby street. More exciting opportunities to get to know our city are listed in the Attractions and Activities section below. *The New York Times* wrote up a guide to [Vancouver in 36 hours](#) that is also worth consulting.

As the city that gave birth to the *Greenpeace* movement, Vancouver now aspires to become the greenest city in the world. As you will see during your visit, it is well on its way! It has ample green spaces and community gardens, a dense network of bike lanes to get around the city, and a Mobi bike share around every corner. We have over 240 parks and beaches run by the Vancouver Park Board. Stanley Park, located in the West Side, is known worldwide for its 400-hectare rainforest and seawall. The park is just a 30-minute walk from the conference hotel along the seawall, and encapsulates Vancouver's vision of urban living and respect for nature. Be sure to take a walk to Stanley Park where you will find beaches, the Stanley Park Totem Poles, and the Aquarium.

Vancouver is also a global city. To promote international relationships, Vancouver has partnered with five sister cities: Odessa, Yokohama, Edinburgh, Guangzhou, and Los Angeles. These partnerships focus on sharing information, educational exchange, and economic development.

We hope you enjoy the conference, as well as your time in Vancouver.

2024 Local Arrangements Chairs

## **SPECIAL ACKNOWLEDGEMENTS**

Welcome to Vancouver, and the 77th Annual Meeting of the Western Political Science Association. As the 2024 WPSA program chair, I would like to extend my thanks to all of our members, volunteers, and staff for making our meeting in Vancouver a success. Building on the enormously successful conference last year in San Francisco, California, we return to Vancouver, to celebrate another year together in person. We could not have put together this outstanding program without the support and hard work by the 41 section chairs or co-chairs, and organizers for the pre-conference workshops and mini-conferences. I extend my appreciation and thanks to all of you who have helped make this conference possible.

As we have returned to a more “normal” conference experience with in person participation, we are delighted to offer over 240 panels and over 750 confirmed participants in the meeting program. We have fortunately returned to a number of panels in our program approximating our pre-COVID experience. As we have done in the past, we continue this year with an increase in our pre-conference workshops including: Feminist Theory, Latina/o politics, Environmental Political Theory, Interpretive Methods, as well as Diversity and Inclusion in Social Movements. We are also excited to expand the number of mini-conferences including: Asian Pacific American Politics, Collaborative Multiracial Post-Election Survey (CMPS) Scholars Research Network, Community College, and Undemocratic Politics.

Under the Program Chair’s section, “Political Backlash and Its Consequences,” we have highlighted multiple panels/roundtable which elaborate on the conference theme and represent just a small sampling of our impressive lineup of panels including: “CMPS Mini-Conference (Friday, March 29, 08:00PM - 05:00PM, Regency F); “Beyond Cruelty: Envisioning Abundance in Dark Times” (Friday, March 29 10:00AM-11:45AM, Seymour); “Native American Politics and Perceptions” (Friday, March 29 01:15PM-03:00PM, Seymour); “Meet-the-Editors” (Friday, March 29, 03:15PM - 05:00PM, Prince of Wales) and “A Global Approach to the Intersections of Migration and Race” (Saturday, March 30 10:00AM-11:45AM, English Bay).

Please mark your schedules for our three Featured Speakers at WPSA 2024. APSA President Mark Warren (University of British Columbia) will address our association on Thursday, March 28, from 12:00PM-1:00PM in the English Bay room. Warren’s talk is titled, “Democratic Innovations and Representative Democracies.” On Friday, March 29, Unite Here! Local 40 President Zalida Chan will discuss the hotel labor dispute in Vancouver, from 12:00PM-1:00PM in the English Bay room. The WPSA Keynote Talk will be given by the Honorable Jody Wilson-Raybould, the former Minister of Justice and Attorney General of Canada, and a leader among Canada’s Indigenous Peoples. The Keynote Talk will be held Friday, March 29, from 6:00PM-6:30PM in Regency A, prior to the WPSA Main Reception at 6:30PM in Perspectives room. The Keynote Talk is underwritten by a generous donation from Simon Fraser University. All conference attendees are invited and encouraged to attend.

We would like to thank our local arrangements team, Steven Weldon and Aaron Hoffman from Simon Fraser University (SFU), for providing help in organizing the conference and putting together an excellent guide of the area with suggestions for dining and entertainment. A special thank you to Laurel Weldon, Dean of the Faculty of Arts and Social Sciences as well as the Department of Political Science at Simon Fraser University. We wish to thank the University of California, Los Angeles's Ralph J. Bunche Center for African American Studies, the Center for the Study of Race, Ethnicity and Politics, the Department of Political Science. Lastly, we want to thank the universities and individual departments who helped to provide amazing undergraduate and graduate student volunteers for the conference: Simon Fraser University and University of California, Los Angeles.

Thank you to President Jason Casellas, for his efforts to ensure our conference continues to be inclusive and inviting to as many members as possible. I would also like to offer my special thanks to Executive Director Richard Clucas, Conference and Membership Coordinator Julio Castilleja, Graduate Research Associate Samyu Comandur, and Web Tech Support Larry Tunseth, whose immeasurable organization, thoughtfulness and support of our association and annual meeting helped everything run smoothly.

Thank you for the opportunity to serve as the 2024 Program Chair. Enjoy the annual meeting and your visit to Vancouver!

## **Anti-Harassment Policy**

### **1. Purpose**

The Western Political Science Association was created for the purposes of promoting the study and teaching of government and politics, to foster research, and to facilitate the discussion of public affairs. The Association promotes these purposes in the spirit of free inquiry and free expression. The primary event in which WPSA members gather at the Association's annual conference. Harassment of colleagues, students, or other participants at the conference, or at any other WPSA-sponsored event or forum, undermines the principle of equity at the heart of the Association's principles and is inconsistent with the principles of free inquiry and free expression. Consequently, harassment is considered by the WPSA to be a serious form of professional misconduct.

The WPSA is committed to providing a safe and welcoming conference environment for all participants, regardless of race, gender, sexual orientation, gender identity, ability, ethnicity, socioeconomic status, age, or religion.

"Participant" in this policy refers to anyone present at or directly involved in WPSA meetings, including staff, contractors, vendors, exhibitors, venue staff, WPSA members, and all other attendees.

### **2. Expected Behavior**

All participants at WPSA meetings are expected to abide by this Anti-Harassment Policy in all meeting venues including ancillary events and official and unofficial social gatherings.

- Abide by the norms of professional respect that are necessary to promote the conditions for free academic interchange;
- If you witness potential harm to a conference participant, be proactive in helping to mitigate or avoid that harm;
- Alert conference or security personnel if you see a situation in which someone might be in imminent physical danger.

### **3. Unacceptable Behavior**

Unacceptable behaviors include:

- persistent and unwelcome solicitation of emotional or physical intimacy; accompanied by real or implied threat of professional harm;
- intimidating, harassing, abusive, derogatory, or demeaning speech or actions by any participant in an WPSA meeting and/or at any related event;
- prejudicial actions or comments related to race, gender, sexual orientation, religion, ability, ethnicity, socioeconomic status, age, or religion that coerce others, foment broad hostility, or otherwise undermine professional equity or the principles of free academic exchange;
- deliberate intimidation, stalking or following;
- harassing photography or recording;
- sustained disruption of talks or other events;
- physical assault (including unwelcome touch or groping);
- real or implied threat of physical harm.

### **2025 WPSA Program Chair - Prof. Tony Affigne - Providence College**

A New Requiem for Politics? Racing Toward Catastrophe—or Transformation? In recent years the Western Political Science Association has invited scholars to submit paper, panel, and roundtable proposals addressing turbulent features of our current political environment such as the backlash against social justice progress, authoritarian populism and nativism, the contentious politics of climate change, divisive political disinformation, and more. By the time of the 2025 annual meeting in Seattle, our 2024 national elections and their immediate aftermath will be known. As research scholars, classroom teachers, and engaged citizens, we will be well-positioned to observe and explain how WPSA's recent themes played a role (or not) in public debates about the direction of the nation and the world. Will democratic political norms endure, erode, or be transformed?

The Conference Theme. Our conference theme for 2025, **A New Requiem for Politics? Racing Toward Catastrophe—or Transformation?** offers participants a broad framing for work across varied subjects, methods, theories, and pedagogies, building on insights from past years' WPSA conferences while adding significant contemporary topics to the discussion. These might include, for example, partisan interference with scholarly research, curricula, and access to books; racial, ethnic, and religious violence; legislation regulating abortion and transgender policies; gun violence in the U.S.; genocidal conflict abroad; and abrupt economic change driven by pandemic repercussions, burdensome debt, disruptive technologies, and inequalities in health, housing, and labor markets. At the same time, rising authoritarian and populist movements all over the world are juxtaposed to vibrant labor and resistance movements, often led by youth, women, Indigenous people, and marginalized communities, who advocate humane and peaceful futures of democratic renewal, ecological restoration, and social equality—while challenging colonial and postcolonial legacies. What will be the outcome in this clash between resurgent populism, and political exuberance?

Particular Emphasis. For 2025 we invite proposals on these and other topics, especially research which explicates not just crisis and challenge, but which also identifies potential transformative outcomes inspiring greater optimism, when warranted, about future prospects. Proposals which link these questions to the electoral conflict in the U.S., and outcomes of the 2024 elections, and those which foreground politics in western regions of North America, are particularly welcome. Finally, we celebrate and welcome proposals from WPSA's longstanding areas of excellence including the study of gender and sexuality, political theory, Latinx politics, Asian and Pacific American politics, environmental politics and theory, and interpretive methods. Beyond these, we also invite proposals from across the entire range of political science fields and subfields, including theory, international relations, comparative politics, public administration, public policy, political behavior, political psychology, and research methodology.

A Broad Invitation. Consistent with WPSA tradition, we have no methodological restrictions or preferences (all are welcome), and we actively solicit work from a diversity of theoretical, substantive, and normative approaches. We welcome papers and panels which facilitate engagement with advocates and practitioners from outside the academy. We will happily consider work which offers historical, contemporary, or future-oriented perspectives. We value the insights and contributions of emerging scholars, and welcome proposals from students as well as from established scholars at all ranks. Finally, we invite contributions which explore innovative pedagogies and modes of classroom/community engagement, and others which focus on the particular needs, strengths, and contributions of first-gen, non-traditional, veteran, and recovering students.

Submitting Your Proposal. For research paper, full panel, author-meets-critic, or roundtable proposals, please use the 2025 Request to Participate Form, including full contact information for all prospective authors and other participants. Please also indicate whether you are willing to serve as chair or discussant for your panel, or for another. Your proposal will be forwarded to the appropriate program section chair for review and placement. For special submissions including proposals for mini-conferences, virtual community meetings, or other events, please contact Program Chair, Tony Affigne, at [affigne@providence.edu](mailto:affigne@providence.edu), or Julio Castilleja, Conference Coordinator, at [info@wpsanet.org](mailto:info@wpsanet.org) for instructions.

We look forward to seeing you in Seattle!

Note: The DEADLINE for all proposals/program participation forms will be Friday, September 27, 2024.

All participants in the 2025 program will be required to pre-register for the conference no later than December 31, 2024.

## **ELSA FAVILA TRAVEL AWARD**

### **Elsa Favila 2024 Travel Grant Recipients**

The WPSA is excited to announce the 2024 recipients of the Elsa Favila Travel Grant Program. As part of the WPSA's 75th Anniversary, the association launched a fund-raising campaign to create a travel award program to provide much-needed support for under-funded graduate students and faculty to attend the annual meeting. The council named the award the Elsa Favila Travel Award to honor our former associate director.

Six participants were selected as the recipients of the Elsa Favila Travel Award for this year's conference:

Gregory Doukas, University of Connecticut  
Benjamin Taylor, Johns Hopkins University  
Kimberly Shella, Southern Illinois University  
Carbondale Felipe Agredano, Los Angeles Community College District  
Shagun Gupta, American University  
Katelyn Kelly, University of California, Irvine.

The specific number of awards given each year depends on the amount of funds available in the award endowment. Please consider donating to this fund so that more members are able to benefit from it. Even small contributions are appreciated! Donations to the association can be made on a one-time only basis or spread out over multiple months or years. The WPSA is a 501(c)3 not-for-profit organization; as such, your contributions are fully tax-deductible, as permitted by law. To make a donation, please visit the WPSA website at: <https://www.wpsanet.org/about/donate.php>.

## FEATURED SPEAKERS

**The Honorable Jody Wilson-Raybould**

**Friday 29th 6:00pm – 6:30pm - Room: Regency A**

The WPSA keynote address will be given by Jody Wilson-Raybould, the former Minister of Justice and Attorney General of Canada, and a leader among Canada's Indigenous Peoples. Raybould has served as a Member of Parliament, Commissioner of the BC Treaty Commission, and the BC Regional Chief of the Assembly of First Nations. Wilson-Raybould is a descendant of the Musgamagw Tsawataineuk and Laich-Kwil-Tach peoples, and is a member of the We Wai Kai Nation. She is also the bestselling author of three highly praised books. The talk will be held on Friday March 29, right before the WPSA Celebration Reception. The talk is underwritten by a generous donation from Simon Fraser University.

APSA President Mark Warren

**Thursday 28th 12:00pm – 1:00pm - Room: English Bay**

APSA President Mark Warren, University of British Columbia, will be speaking on Thursday, March 28, at noon. Warren's talk will be on "Democratic Innovations and Representative Democracies." In the lecture, Warren will be addressing the deep challenges facing democracies and how democratic innovations can complement and strengthen electoral democracy. From the abstract of his talk: "There are, in fact, many thousands of cases of democratic innovations that have emerged over the last few decades, in most countries of the world, and addressing a wide variety of institutional deficits. We now need to think about democratic innovations systematically, in terms of the kinds of performance weaknesses they potentially address. When we do so, we can refine an agenda for the field of democratic innovations focused on moving the democratic project forward." It is a timely talk and an interesting topic. Join us for this and the other two talks!

Unite Here! Local 40  
President Zailda Chan

**Friday 29th at 12:00pm – 1:00pm - Room: English Bay**

Zailda Chan, the president of the hotel workers' union in Vancouver (UNITE HERE! Local 40) will be speaking at noon on Friday. Chan will talk about the issues surrounding the hotel labor dispute in Vancouver, including the conflict with the Hyatt Regency, the conference hotel. We have also asked Chan to talk about her accomplishments as the first Chinese-Canadian union leader in B.C.'s history. The union is not calling for a boycott of the Hyatt at this point, but union members are growing increasingly unhappy with the Hyatt and other hotels in the region. The talk will provide an opportunity for conference participants to learn about the labor situation and about Chan's experiences as the union president.

## LOCAL GUIDE - HOTEL MAP

Vancouver has a multitude of fabulous restaurants with a range of diverse culinary influences from around the world. While perhaps known best for its seafood and Pacific Northwest cuisine, Vancouver has so much more to offer: Italian, Spanish, Chinese, African, Thai, Vietnamese, Indian, Mexican, and, of course, countless fusion options.

It is no surprise Vancouver regularly appears on travel magazine rankings of the top food cities in the world. Indeed, it boasts 9 Michelin star restaurants (AnnaLena, Barbara, Burdock & Co, iDen & QuanJuDe Beijing Duck House, Kissa Tanto, Masayoshi, Okeya Kyujiro, Published on Main, and St. Lawrence). We wish you luck trying to lock down a reservation at one of these restaurants, but fear not, another 17 restaurants in the city have scored the coveted 'Bib Gourmand' distinction and you should be able to get a reservation at one of them if that is your interest. Nicer restaurants that are favorites of the organizers include [The Acorn](#), one of the best vegetarian restaurants in the world, and the eponymous [Vij's](#), which is fine Indian fusion. Both will require reservations.

All these restaurants are within a 15-minute taxi or Uber ride, some are within walking distance of the hotel. You can find more information about these restaurants on [Vancouver's Michelin Guide page](#). You can also check out OpenTable and [Tock Vancouver](#) for reviews and to make reservations.

Looking for a nice place to eat or grab drinks that is near the hotel and likely does not require reservations? The Cactus Club Café near the hotel is a good option, but if you have a little more time, we encourage you to walk four blocks to the water where you will find another Cactus Club Café as well as a Tap & Barrel, both of which overlook the harbor. You might also try The Butcher & Bullock Public House (3-minute walk from hotel on Pender Street).

Other dining options with an ocean view? Try Cardero's or Lift Bar Grill View in Coal Harbour, The Teahouse in Stanley Park, Sandbar or Tap & Barrel Bridges on Granville Island, The Boathouse Restaurant at Kitsilano Beach, several restaurants at Lonsdale Quay (a quick Seabus ride from Waterfront Station) or English Bay in the West End.

Swanky hotel bar? Try Notch8 located 2 minutes north of the hotel in the Fairmont Vancouver, or the Botanist, which is closer to the water in the Fairmont Pacific Rim. Both are known for their fancy cocktails.

It is hard to find dissatisfying sushi in Vancouver, so go ahead and fall in to the closest place you can find. Exceptional (and expensive) sushi is available at [Miku](#). [Black Rice Izakaya](#) offers an informal Japanese bar experience.

Larger group with no reservation? The Cactus Club Cafés and Tap & Barrel mentioned above are good options. You might also venture to Waterfront Station toward Gastown (12-minute walk from the

hotel) where you will find Rogue (inside the train station) and Steamworks (next door). JOEYs on Burrard (5 minutes north of the hotel) is another possibility.

Food on the go? Vancouver has a vibrant Food Truck scene with some of the best food in the city. Trucks move all over the city daily, but there are almost always several near the Hyatt Regency. To find the locations of Food Trucks, check out this [website](#).

Maybe you are feeling adventurous? Head to Chinatown BBQ before 6:00 p.m. (it's great for lunch) for some of the best Chinese style barbecue in the city. It's a 25-minute walk from the hotel. Commercial Drive is one of Vancouver's funkiest streets. It is the heart of Vancouver's Italian community with great restaurants: [Havana](#) (Cuban-inspired, moderately priced), [Kin Kao](#) (Thai, moderately priced), and several wood-fired pizza places (e.g., [Via Tevere](#), [Sopra Sotto](#)), great coffee shops (Turks, Mum's the Word, Joe's Café Bar, and Café Calabria), and shopping (check out Wander Emporium). Grab a taxi, Uber, or Lyft to get to the Drive.

### Local Attractions

- [Vancouver Art Gallery](#) (a short walk from the hotel)
- Stanley Park (N. America's largest city park)
- [Bill Reid Gallery](#) (Indigenous Northwest Coast Art. Short walk from hotel.)
- [Dr. Sun Yat-Sen Chinese Garden](#) (a walled Chinese garden in the heart of Chinatown)
- [Chinese Canadian Museum](#) (across the street from Dr. Sun Yat-Sen Chinese Garden)
- Vancouver Seawall (Surrounds most of the downtown on both sides and a beautiful way to see the city on a sunny day. Download the app and [rent a Mobi bike](#) at one of the many bikeshare stands across the city.)
- [Granville Island Public Market](#) (Granville Island is a great place for a stroll, lunch or drinks)
- [Capilano Suspension Bridge](#)
- [The Vancouver Aquarium](#) (located in Stanley Park)
- [Science World](#) (science, puzzles, and engineering fun for all ages)

### Activities

- [Hiking Trails on the North Shore](#) (various hikes in the beautiful North Shore mountains, which look out over Vancouver).
- Brewery Tour (Vancouver has a vibrant Craft Beer scene with many small brewers. If this is your thing, we recommend heading to the breweries in the Mount Pleasant area of town. See [here](#) for 6 breweries in that area.)
- [Gastown Walking Tour – Lost Souls of Gastown](#) (a fun and interesting way to learn about one of the oldest parts of the city).
- [Labour History Walking Tours](#). Several self-guided tours through the Labour Heritage Centre, including the Vancouver Women's Labour History tour.
- MLS Soccer Match. Vancouver Whitecaps vs. Portland Timbers. Saturday, March 30<sup>th</sup> at 7:30 pm at BC Place (vibrant atmosphere and good fun at a reasonable cost).

- NHL hockey game. Dallas Stars at Vancouver Canucks. Thursday. March 28<sup>th</sup> at 7:00 pm at Rogers Arena.
- [Improv Comedy Show](#). Granville Island, The Improv Centre. Friday and Saturday nights.

## **Transportation to the Hotel**

If flying into Vancouver International Airport, you have two options for getting to the hotel.

- Rapid Transit Rail (known as the Skytrain). It costs \$9.25. Follow the signs in the airport to the Canada Line and take the train to Vancouver City Centre station (about 30 minutes). Follow the Exit signs for Georgia Street. Once out of the station, turn left (west) and walk 2 blocks to Burrard Street. You will find the hotel a half block north on Burrard Street. It is a pleasant ride and very often faster than a taxi or Uber.
- Uber, Lyft, or Taxi. It is a fixed cost of \$34 for a taxi. Uber should be a similar price.

If driving to Vancouver, you can:

- Pay a flat rate of \$39 per day to park on-site at the Hilton.
- Park at the Bridgeport Station Park & Ride for \$3 per day and take the Skytrain from the Bridgeport Station to the hotel (see above, but note it is only \$4.50 for the train from this station).

A car certainly offers some convenience in the city, but only if you plan on driving outside of the city during your stay.

## **Arriving by Train**

Amtrak runs a daily schedule of trains along the Pacific Northwest coast from Eugene, Oregon to Vancouver with stops along the way in Portland and Seattle as well as other cities along the way. If you arrive by train, it will be at Pacific Central Station. You can take a taxi, Uber, or Lyft from there to the hotel. You can also take the Skytrain. Get on at Main Street Science World station (1 minute walk from the station) and take it to Burrard Street station. Exit on to Burrard Street and turn right (north). The hotel is a half block away.

## **Getting Around Vancouver**

Vancouver has an integrated (skytrain and bus) public transportation system. You can buy tickets at any skytrain station. You can also pay with your credit card by tapping for skytrains or the bus. There is a small fee for using your credit card, and you cannot get a receipt. If you will be using the train or bus often in one day, consider getting a day pass (available at the automatic kiosks inside of the skytrain stations and tickets are good on both buses and trains). The hotel is also located right next to a train station (Burrard Street station), and for this reason, you may find it convenient and cost

effective, depending on where you are going. Trains run until 1:30 am on weekdays and Saturday. For bus and hotel, we encourage you to use a trip planner such as Google or Apple Maps. For more details on pricing and fare zones, see the dedicated page on the [Translink website](#).

Taxi, Uber, and Lyft are also great options.

While these options are available, Vancouver is a very walkable city, especially if it is not raining (no promises!). You can walk just about anywhere within the downtown core in no more than 15 minutes, including popular dining and tourist areas like Gastown and Yaletown. It is also a generally safe area, even at night. We hope you enjoy getting to know Vancouver and have a wonderful time at the WPSA!

How do groups driven by inequality and difference maintain the solidarity necessary for coordinated political action? This question becomes ever more pressing as movements face internal challenges of intergroup conflict and external challenges related to backlash, changing economic conditions, and other external factors. During this workshop, researchers will present a series of working papers on Inclusive Solidarities from the Diversity and Inclusion in Social Movements Collaborative.

## ROUNDTABLES

Panel : 00.2 -A Global Approach to the Intersections of Migration and Race

Date : Saturday, March 30, 10:00AM - 11:45AM

Location : English Bay

Chair(s) :

Pinderhughes, Dianne , [Dianne.M.Pinderhughes.1@nd.edu](mailto:Dianne.M.Pinderhughes.1@nd.edu), University of Notre Dame

This important roundtable brings together colleagues to continue the conversation of her recent book, *The Roots of Racism: The Politics of White Supremacy in the US and Europe* (Bristol University Press 2022). This book “examines the past, present, and future of racist ideas and politics. It describes how policies have developed over a long history of European and White American dominance of political institutions that maintain White supremacy. Givens examines the connections between immigration policy and racism that have contributed to the rise of anti-immigrant, radical-right parties in Europe, the rise of Trumpism in the US, and the Brexit vote in the UK. This book provides a vital springboard for people, organizations, and politicians who want to dismantle structural racism and discrimination.” This panel broadens the discussion of these broad topics as an increasing number of scholars focus on the politics of migration, race and citizenship. Terri argues for a need to further develop new theories that encompass a broader set of cases, which are still in many ways intertwined after hundreds of years of colonial history and enslavement.

Panel : 00.3 -Beyond Cruelty: Envisioning Abundance in Dark Times

Date : Friday, March 29, 10:00AM - 11:45AM

Location : Seymour

Chair(s) :

Situated at the intersection of political theory and Chicano political thought, this panel will explore the concept of *rasquache* as an alternative ethos for thinking about political membership as a practice of belonging and abundance rather than exclusion and scarcity. Drawing on the work of Tomás Ybarra-Frausto and Amalia Mesa-Bains, *rasquache* is a working-class aesthetic sensibility that involves giving a new function to what would be otherwise considered used up, useless, broken, or a type of trash, creating works of dazzling beauty using discards, fragments, and other disposable materials that are abundant and available. Theorizing our political attachments and desires in terms of beauty, brokenness, and refashioning — Beltrán argues that *rasquachismo* offers a way of approaching one’s

attachment to a broken national project as spaces of creative encounter where what initially appears as worthless or non-functional might still hold the promise of becoming beautiful, reincorporated, and radically reimagined.
